## **The results are in – Bellybar is the critics' flavor favorite.**

*Raves for NutraBella's new pregnancy nutrition bar.*

**San Mateo, CA** – While a snack bar may not be considered fine dining by some, About.com was impressed enough with the new Bellybar to give it a 5-Star rating.

In a recent review, the informational web portal sited Bellybar's perfect blend of chewy and crunchy. "I could actually distinguish the tastes of the different ingredients like graham cracker and big chunks of almond," sited reviewer Stephanie Brown.

The article goes on to site Bellybar's terrific healthy ingredients, excellent vitamin content, and the fact that it's appealing to women in all stages of their pregnancies – before, during, and after.

"We worked very hard to make this the best pregnancy snack on the market," says **Leslie Sagalowicz, co-creator of Bellybar**. "It's rewarding to know that objective reviewers of our product feel we've achieved our goal."
